Power on – Coffee for Clever People

Each Unicity product has been developed to make your life better. Our excellent science-based products can contribute significantly to supporting metabolic functions and overall wellness!

## IDEAL FOR ALL THOSE WHO...

- need a natural energy boost
- follow a low-carb diet
- look for a delicious coffee mix on the go

## PRODUCT DESCRIPTION

Is your daily coffee non-negotiable? Then put even more power in your cup with Reishi FX, the delicious coffee blend with coconut cream and valuable Reishi mushroom extract!

This combination of premium coffee and coconut cream is not only incredibly delicious, but also provides long-lasting energy. The extra kick is provided by Reishi extract, a valuable mushroom that plays an essential role in traditional Chinese medicine (TCM). Reishi is rich in vitamins and minerals, antioxidant and has a high content of triterpenoids and beta-glucan.

By the way: Reishi FX is ideal for your low-carb diet because it does not cause glucose spikes in the blood!

## CONTENT

Serving size: 1 sachet (15.05 g)

Servings per pack: 10

## RECOMMENDED USE\*

Add one packet to 150 mL of hot water and stir well.

**TIP:** For a Reishi FX iced coffee, prepare one sachet as described above. Add another sachet of Reishi FX and more water to taste. Serve with ice.

## INGREDIENTS & BENEFITS

- caffeine for more energy and focus
- coconut oil with a high content of easily digestible, medium-chain fatty acids
- Reishi, the “mushroom of immortality”, has a high content of triterpenoids and polysaccharides (especially beta-glucans)
- The sweetener erythritol induces a lower blood glucose rise after consumption compared to sugar
