BIOS7

LISTEN TO YOUR GUT FEELING

BACK TO BALANCE

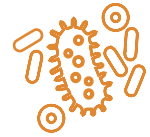

Real well-being begins in the gut! The vitamin-rich fibre drink Unicity Bios 7 helps you get into top shape. Bios 7 supports your healthy diet, promotes digestion and nourishes the healthy intestinal flora. With its patented fibre matrix, Bios 7 supports balanced glucose and insulin levels and keeps you fuller for longer – a key factor for your successful weight management.

PROMOTES HEALTHY DIGESTION

AIDS WEIGHT MANAGEMENT

NOURISHES THE GUT FLORA

DIVERSITY FOR A BETTER LIFE

The microbiome in the digestive tract is crucial for your health! This complex ecosystem of countless microorganisms ensures healthy digestion, controls many metabolic processes and even influences your mood. However, stress, an unbalanced diet and environmental influences can quickly impact the balance of the microbiome and allow harmful intestinal bacteria to take over.

So supporting the diversity of the microbiome in a targeted way is all the more important – and best done through your diet, with prebiotics, polyphenols and other nutrients. Thus, the healthy intestinal flora provides an important barrier against harmful external influences, promotes optimal nutrient absorption and supports the function of numerous body systems.

THE MATRIX FOR YOUR WELL-BEING

Bios 7 contains a patented fibre matrix with valuable prebiotics that promote digestion but also specifically nourish the healthy intestinal flora. This is complemented by valuable vitamins and other nutrients to support the metabolism and general well-being.

- Patented fiber matrix with prebiotic inulin to support the intestinal flora and weight management
- Polyphenols from yeast extract, apple, grape and pomegranate with strong antioxidant effect
- Niacin, riboflavin and thiamine contribute to normal energy metabolism and normal functioning of the nervous system
- Vitamin C contributes to the normal function of the immune system
- Zinc supports healthy cell division

**INCLUDED ON THE
COLOGNE LIST® AND IN
THE PDR**

Bios 7 is listed in the US
Prescriber's Digital Reference
and has been included in the
renowned **Cologne List®** –
ideal for competitive athletes!

PDR

RECOMMENDED USE

Mix the contents of one packet with 8.5 oz. (250 ml) of liquid, shake it vigorously and drink immediately.

To achieve optimal results, drink twice daily, 10 to 15 minutes before your main meals.

COLD
