PRODUCT DESCRIPTION

The co-enzyme Q10 is considered the secret weapon in anti-aging skin care – but this fantastic enzyme can do much more! Co-enzyme Q10 – also known as Ubiquinone 10 – is very important for energy metabolism and is found in the body mainly in cells with high energy requirements. It plays a major role in heart health, but is also involved in the utilisation of Vitamin E to protect the cells from free radicals. Unicity CoQ10 Advanced Formula offers you high-quality co-enzyme Q10 as a daily food supplement.
