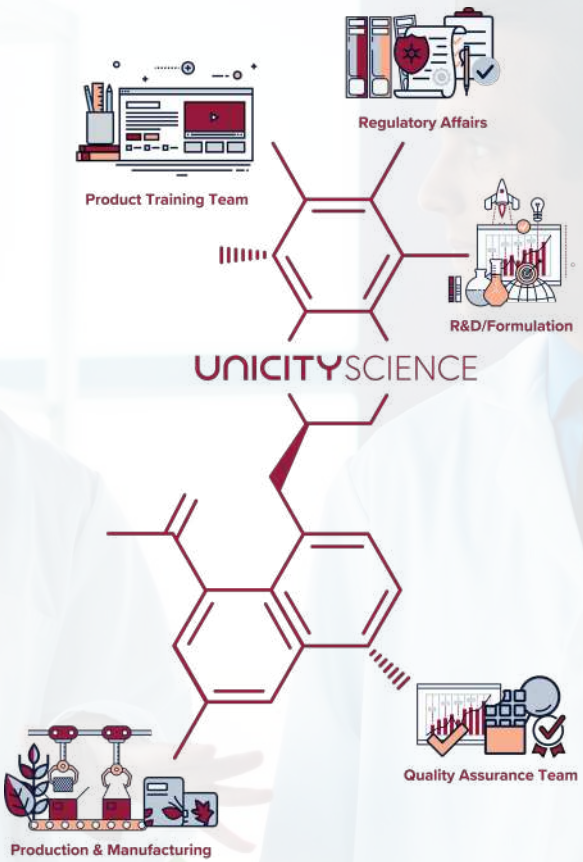
# CHANGING THE SCIENCE OF HEALTH

Lead by an elite team of top scientists, Unicity is dedicated to the development of cutting-edge products to improve quality of life for people everywhere.

Driven by the desire to “Make Life Better”, the Unicity Science team works closely with university and research institutes, using revolutionary scientific technology and the latest scientific discoveries.

# OUR MISSION OF HEALTH

We work hard to provide people everywhere on the planet with the opportunity for a better quality of life. Unicity creates innovative, science-based products and programs for increased metabolic health. Our hard work delivers results – and we're proud of that.



## PRESCRIBERS' DIGITAL REFERENCE

The annually updated *Prescriber's Digital Reference* (formerly the *Physician's Desk Reference*) is the standard reference work in the U.S. and worldwide for drugs and nutritional supplements. Presently, 17 Unicity products are listed in *Prescriber's Digital Reference*, including BIOS 7, Unimate, and Omega Life-3 Resolv. In fact, Unicity has twice as many products in the PDR compared to any other nutraceutical company in our field.

## KÖLNER LISTE

The renowned *Cologne List*® has been listing dietary supplements with a minimized risk of doping since 2006 and is considered the first and largest doping prevention platform for dietary supplements worldwide. Unicity is proud to be listed here with several products, including Unicity Complete -Vanilla, Balance, Matcha X AM, Matcha X PM, Super Green and Unimate.

## INFORMED CHOICE

*Informed Choice* is another important quality assurance program for sports nutrition. *Informed Choice* certified supplements have been tested for banned substances by the world-renowned LGC Anti-Doping Laboratory. Bios Life, Matcha and Unimate are listed here among others.

# STEP BY STEP TO METABOLIC HEALTH

A healthy lifestyle isn't complicated. Even small changes in everyday life can have incredible effects on your well-being! Get used to these healthy habits and follow the three steps of the Unicity program.

## HYDRATE

Sufficient hydration is a prerequisite for the optimal functioning of the body, since water plays a critical role in natural metabolic, digestive and cellular regeneration processes.

## EXERCISE

Get going! Regular exercise lifts your mood, boosts metabolism, increases muscle mass and teaches the body to burn more calories at a faster rate, even when at rest.

# THE UNICITY PRODUCT PROGRAMME

We want each of us to make the most of our lives. For this, we have developed a sustainable and comprehensive concept.

## STEP 1 – CLEANSE

A fresh start to a healthy life begins with the cleansing of your digestive system as the foundation for effective digestion and metabolic health. Get rid of toxins and waste and prepare for an optimal nutrient uptake.

## STEP 2 – BALANCE

Restore the balance of your body after cleansing with the right nutrients to bridge nutritional gaps. A well-balanced body will help you control your weight management and energy balance. This is how you achieve the stability and confidence for a good life.

## STEP 3 - BUILD

Targeted building involves strengthening muscles and bones, more mental clarity and many other metabolic aspects – from intestinal health to the circulatory system. Become your best self for the life you always wanted to live.

# BALANCE

Support your fat metabolism with Balance! The beneficial dietary fibres in Balance ensure that the blood glucose level rises more slowly after eating and thus less insulin is released. The lower the amount of insulin released, the easier it is for the body to draw on its own fat reserves for energy production. In addition, Balance regulates your digestion and keeps you fit with valuable vitamins and minerals.

# UNICITY ACTIVATE

## The program for metabolic health

Unicity Activate is a simple but comprehensive health program with effective products, simple guidelines and intelligent tools. It helps your body relearn to use both carbohydrates and its own fat deposits for its energy needs – for a greater metabolic flexibility and better health.

Our Activate products with healthy fats and lots of protein help you lay the foundation for a balanced, low-carb diet. When your body learns to use its own fat deposits for energy production again, you benefit in many ways:

More effective weight management

Increase in mental & physical energy

Radiant appearance
