

UNICITY OMEGA LIFE-3 RESOLV

Power Your Body – optimize your body's systems

Each Unicity product is designed to make your life better.

Our excellent science-based products can contribute significantly to supporting metabolic functions and overall wellness!

PRODUCT DESCRIPTION

For optimal nutrition, there is no getting around omega-3! Omega-3 fatty acids are essential fatty acids and must be taken in with food, as the body can only produce a limited amount itself. Especially the fatty acids eicosapentaenoic acid (EPA) and docosahaexenoic acid (DHA) are crucial for a healthy metabolism.

Unicity Omega Life-3 Resolv contains a highly effective combination of concentrated fish oil with a high content of unsaturated omega-3 fatty acids, combined with the essential amino acid L-arginine, wintergreen oil and vitamin E. Omega Life-3 Resolv is manufactured using a process patented by Unicity to increase the production of resolvins, which the body derives from omega-3 fatty acids.

CONTENT

120 soft gel capsules
Serving size: 2 capsules
Servings per package: 60

IDEAL FOR ALL THOSE WHO...

- are looking for a high-quality concentrated and pure fish oil product for the optimal absorption of EPA and DHA
- want to support the natural, health-preserving processes of their body in a simple way
- don't like fish, but don't want to miss out on its health benefits

INGREDIENTS & BENEFITS

- Replacing saturated fatty acids with monounsaturated and/or polyunsaturated fatty acids in the diet helps maintain normal blood cholesterol levels
- DHA contributes to the maintenance of normal brain function
- DHA contributes to the maintenance of normal vision
- EPA and DHA contribute to normal heart function
- Vitamin E helps protect cells from oxidative stress

RECOMMENDED USE*

Take two soft gel capsules daily with water.
For best results, take with a meal.
