

SUPER GREEN+

Your source of green energy

Super Green+ – discover your superpowers

This is the green innovation we have been waiting for: the new Unicity Super Green+ with even more power! This chlorophyll drink with many valuable ingredients is your perfect companion for every day.

WHAT'S IN IT?

High-quality chlorophyllin from mulberry leaves

The mulberry tree, its leaves and fruits are a superfood packed with valuable nutrients! The mulberry tree is a trusted medicinal plant in China.

Spirulina

Superfood royalty with antioxidant phycocyanins and proteins.

Niacin

Reduces fatigue and supports a healthy nervous system.

Resistant maltodextrin

A dietary fibre that contributes to healthy digestion.

... what's not inside:

Super Green+ contains no products of animal origin and no sugar.

**VEGAN & KETO
-FRIENDLY**

How do I enjoy it?

Mix one measuring spoon (1.5 g) with approx. 200 ml of water or a drink of your choice, shake well and drink.

Tip:

Mix 1 to 2 litres of still water with 3 scoops of Unicity Super Green+ in the morning. Shake vigorously and drink throughout the day until evening.
